

APPLICATION FOR LIFE MEMBERSHIP

Items 1, 2 and 3 contain the Branch information.

Items 4 through 8 contain information about the intended recipient with emphasis on item 8. It is especially important that the awards and presentation dates are given.

Note that in item 9 the calculation is done however the cheque is not included with the application (it will be made out to Dominion Command and sent there, after approval has been received from Alberta-N.W.T. Command).

Item 12 must include the date and type of meeting (Executive or General) where the award was presented and approved. A copy of these Minutes must be included.

Item 13 identifies the person who completed the citation (must be included with this application).

Item 14 must contain the signatures of a Senior Branch Officer and the Branch Secretary.

The citation included with this application is the most important part as this will identify the reasons for the request to the Command Honours and Awards Committee. The criteria to be applied to the applicant and the citation are fully covered in the Manual "Honours and Awards". These should be read in full before preparing citations for forwarding to Command. Remember, that if no mention is made of offices held, committees chaired or served on, outstanding service performed to either the Legion or the community, then it is assumed that there was none. The number of years a member has been a member, does not qualify him for any award other than his long service lapel badge. The age shall not be used as a criteria for applying for a Life membership which is only awarded for "outstanding service".

Once the application is complete, it must be forwarded to the District Commander for approval. The District Commander will then forward approved applications to the Alberta-NWT Command Honours and Awards Chairman.
