

The New Classic Criss Cross Is Here!

In the Fall of 2012, Arrow Games/Bazaar & Novelty announced it is changing Classic Criss Cross to the very popular 5-window size from the current 3-window size. The inventory of the 3-window size is depleted and we are now shipping the new 5-window size with this order.

The form number for the game has changed to 6602A Classic Criss Cross and it is now available with 4 units per case. A new order form is attached with this information. There are no other changes to the game.
