

SET UP A **VETERANS**
CONNECTION POINT
IN YOUR WORKPLACE.

The People Behind the Poppy are
available to ensure Veterans get
what they have earned.

VETERANS CONNECTION POINT

Here's how you can help
Veterans through your Workplace
Connection Point.

1 Make some space for Legion
posters and leaflets.

2 Put a decal on your door or
in a window.

3 If you meet a Veteran or family
member of a Veteran please make
them aware that there is assistance
available at a Legion Branch.

4 Direct the Veteran to the telephone
numbers on the back of the leaflet
or suggest that they go online
to find out more about how The
Legion Branches can assist.
